Excerpts from CBH Board of Directors Policy on Programming and Israel

“All programs within and/or sponsored by CBH should be supportive of Israel. Congregational facilities and communications are not to be granted to speakers, or representatives of organizations, that do not accept the existence of Israel as a sovereign, independent and democratic Jewish state.”

“All congregants and committees that participate in programs on Israel will conduct themselves in a spirit of cooperation and mutual respect and the format of all programs will allow time for open and relevant questions and discussion.”
