

OR HAZIKARON

Yizkor Wall - Congregation Bet Haverim Sanctuary

Each Person's Soul Is A Light For The Holy One **LIGHT OF REMEMBRANCE**

Modern, moving and artistic, this wall perpetually illuminates the names of our loved ones in 5.75" x 1.12" back-lit inscriptions on colored glass panels, hung on the western walls of our sanctuary. Each name is displayed in English with the date of passing in English and Hebrew. Yahrzeits are marked by a tzitzit, a traditional Jewish symbol of remembrance, and a small vessel for special blessings or prayers.
