

**Yolo County has moved from the Red to Orange tier relating to its Covid-19 requirements.**

As a result, CBH has updated its Covid-19 protocols relating to use of the CBH campus. Protocols have been approved for both the time while the County is the Orange Tier, as well as when the County hopefully moves to the more-permissive Yellow Tier.

It is expected that most of protocols will remain the same even when the County moves to the Yellow Tier. The one expected difference will be the maximum number of persons allowed in our buildings and on campus. However, in both tiers the current plan is to allow for a lesser number of individuals than permitted by the County, as the committee believes it is best to err on the side of caution. For similar reasons, until further notice we will generally require 6 feet of social distancing between persons anywhere on campus, rather than any lesser distance that may be allowed by the County.

**Beginning April 1, 2021, and until further notice, CBH Covid-19 protocols will be as follows:**

**Meetings with the Rabbi:** Rabbi Greg is willing to meet in his office on a one-by-one basis with any partner who has been fully vaccinated. He has also agreed to meet elsewhere on campus, including the Social Hall or the Sanctuary, with groups of no more than six partners at a time who have all been fully vaccinated. *In all cases, you must first call to make an appointment with the Rabbi prior to coming to CBH.*

**Office:** Until further notice, the office will remain open by appointment only. The Executive Director and other staff will meet with fully vaccinated individuals, subject to screening protocols on entry. The staff will also continue to arrange drop offs and pickups outside the office, during regular business hours: Monday- Thursday 9-5:30 and Friday 9-4pm.

**Classrooms:** Maximum permitted capacity is **dependent upon the classroom**, as indicated below.

<b>Room</b>	<b>Orange Tier</b>	<b>Yellow Tier</b>
Sunshine Room (south-east portion)	7	<b>TBD</b>
Sunshine Room (south-west portion)	8	<b>TBD</b>
Sunshine Room (main, north portion)	16	<b>TBD</b>
North Classroom/Redwood Room, west half	16	<b>TBD</b>
North Classroom/Redwood Room, east half	16	<b>TBD</b>
South Classroom	18	<b>TBD</b>
South Portable/Teen Space	9	<b>TBD</b>
North Portable, southern half	10	<b>TBD</b>
North Portable, northern half	8	<b>TBD</b>

## **GENERAL requirements for ALL events and programs on the CBH campus**

All groups desiring to conduct any type of event anywhere on the CBH campus must first submit a Covid-19 plan for the event to the CBH Covid-19 Task Force, **which must approve the plan before the event can take place**. Please allow at least **two weeks** for approval. Plans should be submitted to Mitchell Singer <[mhsinger2124@gmail.com](mailto:mhsinger2124@gmail.com)>, with copies to the Executive Director <[director@bethaverim.org](mailto:director@bethaverim.org)> and to the office <[office@bethaverim.org](mailto:office@bethaverim.org)>.

### **Each plan must include ALL of the following:**

1. Face masks must be worn by all adults and children 2-18 while on campus.
2. All adults must be fully vaccinated, and will be required to show proof of vaccination along with a negative result on a Covid-19 test taken no more than 5 days prior to the planned event. All children must be free from Covid-19 symptoms.
3. Except as otherwise specified below, all individuals must maintain social distancing of at least 6 feet at all times.
4. Restrooms will be limited to CBH sponsored functions only, unless specific arrangements are made in advance. In addition, with regard to all indoor events, restroom use will be limited *to the building being used for the event*. For outdoor events, restroom use will be limited to the Social Hall's exterior-doored bathroom. For events involving children, the plan must include additional specification relating to how hygiene in the bathroom will be addressed.

## **SPECIAL *additional* requirements for specific events**

### **Education and Youth Program events**

1. Plan must specify that no more than the number of individuals specified in this document for the space(es) used will be permitted to attend the event.
2. Plan must designate individuals who will be present and verify proof of vaccinations and negative tests for all adults, and take temperatures of children.
3. Plan must include provision of disinfectant and cleaning supplies, such as disinfecting wipes, for restroom use. The CBH office staff can help if provided enough time. Laminated signs will be posted by the staff explaining what cleaning will need to be done by adults before leaving the bathroom.
4. Plan must include provision of parent(s) volunteering to serve as "custodians" during event, and to provide a final cleaning after the event. In some circumstances, CBH may be able to hire someone to do this work — please check with the Executive Director.

### **Use of Sanctuary or Social Hall**

1. Plan must specify that no more than **35** individuals will be permitted in the sanctuary or social hall at any one time.

2. Plan must designate individuals who will be present and verify proof of vaccinations and negative tests for all adults, and take temperatures of children.

**Redwood Grove and outside space**

1. Plan must specify that no more than **75** individuals will be permitted on campus during event.
2. Up to six individuals may be within six feet of one another within a pod (living in the same house), provided that all pods are at least six feet apart. Cones may be used to mark required distance between pods.
3. Plan must designate individuals who will be present and verify proof of vaccinations and negative tests for all adults, and take temperatures of children.

**Prospective protocols for YELLOW TIER:**

All rules, procedures and protocols are expected to be the same as those for the ORANGE TIER, with the following modifications:

**Office:** Office will be open by appointment and/or on specific days/hours set by the Executive Director. No more than **three** non-office staff persons will be permitted in the office building at the same time, unless prearranged with the Executive Director.

**Classrooms:** Maximum permitted classroom occupancies will be re-evaluated.

**Use of Sanctuary or Social Hall:** Maximum permitted occupancy is expected to be raised to **75** individuals.

**Use of Redwood Grove and outside space:** Maximum permitted occupancy is expected to be raised to **125** individuals.
