Report-Back from Israel with Ben Linder

Sunday, August 20, 2023, 1:30 p.m.

1461 Birchwood Lane, Sacramento

RSVP: BLandsberg@Pacific.edu

This will be an informal gathering of local J Street supporters to discuss with Ben Linder his experiences during a recent J Street trip to Israel. Ben is a national leader of J Street, and he accompanied members of Congress on the trip to meet with Israeli and Palestinian leaders during this especially fraught time. J Street has long been concerned about the impact of the occupation on democracy, and now J Street has added concerns about the current threats to democracy in Israel. Ben's visit to Sacramento provides us a good opportunity to learn and discuss.

Ben Linder was born in Jerusalem and emigrated to the US as a child. He serves as the J Street NYC Development Chair, as well as serving on the Executive Committee of the Silicon Valley chapter. His Israeli roots inspire his passion for J Street's mission. He spent over 3 decades in Silicon Valley in entrepreneurial innovation and leadership positions in software companies. His previous roles included Founder/CEO of Scalent Systems (acquired by Dell), SVP of Marketing for Phone.com, and VP of Marketing for New Media at Oracle Corporation. Ben is a board member of American Friends of Combatants for Peace and the Groupmuse Foundation.
