This will be an informal gathering of local J Street supporters and friends who are pro-Israel, pro-peace and pro-democracy, in this very difficult time for Israel.

LEXI GOLDWYN, Assistant Political Director of J Street, will give an update on J Street's messaging on Capitol Hill about the current crisis in the Middle East and its impact on the Two-State Solution. Lexi will also update us on how this issue will affect House and Senate races in '24. LEXI joined J Street after working on campaigns, advocacy organizations, and political committees, most recently as a national fundraising consultant for incumbent Senate Democrats. Born and raised in Sacramento, CA, Lexi graduated from UC Berkeley with degrees in Political Science and Legal Studies. She currently lives in Washington, DC.
